

AGREE ON POLICY TOWARD MEXICO

Program Will Be Ratified
at Conference in New
York Wednesday

LANSING IS ENCOURAGED

Officials Agree that Most of
the People of Mexico Are
Thoroughly Sick of War

CARDOSA TO LEAVE MEXICO

WASHINGTON, Aug. 9.—Powers of North and South America already have agreed on a definite plan for dealing with the Mexican problem and when the Pan-American conference is resumed in New York Wednesday, the program will be ratified formally.

This information came today from Secretary Lansing, who, though he would not discuss details, said he was encouraged over the prospects.

Agree People Are Sick of War.
The confidence expressed here by officials generally that the conference representing the United States, Brazil, Argentina, Bolivia, Guatemala and Uruguay would be able to shape a course likely to bring peace and restore constitutional government in Mexico is due to the fact that all are agreed that most of the people in Mexico are thoroughly sick of war.

A large section of the country and a vast majority of the people have not been involved in the fighting which followed the overthrow of Huerta. Moreover, it has been reported to President Wilson and Secretary Lansing that only the fear of reprisals by the military chieftains has kept the people in subjection while the country has been impoverished by the battles of relatively small forces of armed men.

Will Urge Caucus.
Reaching their conclusion on these reports, the Pan-American conferees are understood to have determined to present the situation to all of the various elements in Mexico, addressing directly not only Generals Carranza, Villa and Zapata, but the governors of states, all military leaders with any considerable followings and other influential men, urging them to come together for a caucus at which a substantial provisional government might be framed.

A government so set up would have the support of the United States and other American republics. Officials here believe it would be able to suppress promptly any dissatisfied groups which might attempt to continue civil strife.

It is hoped that none of the important conferees will offer opposition to the plan but if trouble does develop and action is necessary by the American powers, the conferees believe they would have the support and approval of the great majority of the civilian population of Mexico in any step which might be taken.

Talk of Armed Intervention.
There has been talk of joint armed intervention by the powers represented in the conference to quiet any leaders who insist upon remaining in the field with military forces. Some of the conferees, however, are said to believe that the moral support of the powers behind such elements as join in the conference for a new provisional government, together with a strict embargo against the shipment of war munitions to any one in Mexico except the government so formed, quickly would accomplish the desired result.

Secretary Lansing talked optimistically today about the situation. "When the conference adjourned last Friday," he said, "it had reached the point where a very definite policy with regard to the solution of the Mexican problem had been agreed upon."

"The conference was adjourned because I wished to consult President Wilson regarding this agreement. I have consulted him through correspondence and we are now ready to resume deliberations and to proceed with the working out of the details based upon the original agreement."

Cardosa to Leave Mexico.
Administration officials were somewhat perturbed by an official announcement that the Guatemalan minister to Mexico, Mr. Ortega, had been ordered from the country by General Carranza, and by reports that friction between Carranza and Senator Cardosa, Brazilian minister to Mexico, had preceded the latter's determination to leave Mexico at this time.

Authoritative information from diplomatic sources is to the effect that General Carranza and Mr. Cardosa have not been friendly for some time and that it was necessary for the latter to leave to prevent an open breach.

THREE CONVICTS ESCAPE FROM LEAVENWORTH

WARDEN BELIEVES MEN WERE AIDED
BY OTHER PRISONERS

Break Lock on Door and Cut Through
Two Brick Walls, Each a Foot
Thick—Threaten Other Convicts
With Death Unless Secrecy is Maintained.

LEAVENWORTH, Kan., Aug. 9.—Joseph Brown, of Chicago, John Duffy, of Cedar Rapids, Ia., and J. B. Jones, of Fort Worth, Tex., escaped from the United States penitentiary today. The men broke a lock on a door leading to a tunnel under the prison, cut through two brick walls, each one foot thick, climbed to the top of the new east wing, which is being constructed and let themselves down to liberty by a rope used in the construction work. Duffy had eight years to serve for the theft of an interstate shipment. Brown on the same charge had two years more to remain in prison, while Jones would have been released in ten months. Jones was convicted of impersonating an officer.

Threaten Other Prisoners.
Shortly before daylight, after threatening other prisoners with death unless secrecy was maintained, the three men eluded the guard and broke the lock on a door leading to a tunnel under the prison. This tunnel is used in carrying supplies and refuse from one part of the institution to others. It was necessary for the men to cut their way through the walls of the tunnel in two places. In order to reach the east wing, where construction work is going on, Warden Morgan said today he believed the escaping convicts had been aided by other prisoners at work on the new cell houses, who might have secreted the tools with which the walls were penetrated or even have begun from the outside the work which their escaping comrades completed from within.

REDFIELD WILL LAY RESULTS OF EASTLAND PROBE BEFORE WILSON

Will Also Report on Demands For
Changes in the Steamboat Inspection Service.

WASHINGTON, Aug. 9.—Results of the department of commerce investigation of the Eastland disaster at Chicago, with a report on demands for changes in the steamboat inspection service will be laid before President Wilson by Secretary Redfield, who conducted the inquiry.

Mr. Redfield has resumed his vacation at Woods Hole, Mass., taking with him the record of the investigation and a partial report recommending changes in the navigation laws and inspection regulations. He probably will go to Cornish, N. H., soon to ask the president's advice before taking further steps.

Solicitor Thurman, of the department of commerce, and General Geo. Uhler, chief of the steamboat inspection service, who assisted the secretary at Chicago, returned to Washington today. They said the inquiry had been discontinued because necessary witnesses were under subpoena by the federal grand jury and the resumption of the department's activity would depend upon Secretary Redfield.

JOHN MORRISSEY MET DEATH BY DROWNING

Telegram Tells of Accidental Death
of Former Resident of Jacksonville.

Justice W. T. Dyer received a telegram Monday announcing the death by drowning of "Johnnie" Morrissey at Billings, Montana. The deceased was the son of John Morrissey, formerly of this city and was about 18 years of age. His father was a number of years janitor at the Public Library and left here to make his home in Billings, Mont., where his sister owns a large ranch. The message was from Marguerite Morrissey and contained no particulars.

WILL MEET TODAY

The Women's Home and Foreign Missionary society of Westminster church will meet at 3 o'clock this afternoon at the home of Mrs. W. D. McCormick on Grove street. All members of the church are asked to attend and bring items of missionary interest. The birthday social announced for this afternoon has been postponed.

MOVES TO JACKSONVILLE

E. R. Fraser of Gibson City has removed his family to this city and will reside at 326 Sandusky street. Mr. Fraser has been engaged in farming in Saskatchewan for the past few years. He says that they are raising great crops in that country this year. Mr. Fraser's daughter will attend Illinois Woman's college the coming term.

CARD OF THANKS

We wish to thank the many friends and neighbors, who were so kind to us during the illness and after the death of Mrs. L. A. Caldwell, also for the many beautiful floral remembrances.

L. A. Caldwell and family.

HOPE FOR EARLY PEACE IN HAITI

Encouraging Reports Are
Received from Rear-
Admiral Caperton

AMERICANS HOLD TOWNS

Naval Officers Administer Customs--Revolutionary Leaders
Promise Co-operation

BOBO RENOUNCES PLANS

WASHINGTON, Aug. 9.—Encouraging reports on conditions in Haiti came today from Rear Admiral Caperton. With American marines and bluejackets controlling the principal towns, naval officers administering the customs houses and revolutionary leaders giving assurances of cooperation, officials here hope for a rapid progress toward restoring a permanent native government.

Bobo in Port au Prince.
General Bobo, the northern revolutionaryist, has arrived at Port au Prince, renounced his pretensions to executive power and ordered his soldiers disarmed and sent home. He has assured Admiral Caperton he will cooperate in efforts to restore order. Bobo is a candidate for the presidency but has agreed to abide by the choice of congress. Similar assurances have been given Bourard another political aspirant. When the election shall be held has not been determined but the United States will require that complete tranquility prevail before any step is taken.

Explains Taking Over of Customs.
Secretary Lansing today explained the occupation of Haiti's customs houses. "The customs houses are being supervised by American authority," he said, "because a state of anarchy exists in the country. It is necessary that we should see to it that revenues do not go where they do not belong." No decision has been reached by this government as to representations to be made to Haiti. Nothing will be done until a new government is up. Then an understanding will be reached. This will necessitate adjustment of the financial affairs of the republic and the United States hopes to see a government established which will accept a treaty whereby the United States could guarantee the administration of the Haitian government.

In this connection there are many international claims to be satisfied as was the case in San Domingo when this government undertook collection of the customs and proper segregation of the revenues to apply on foreign obligations.

HAD ENJOYABLE VISIT

H. C. (Bert) White of Muehlhausen Bros., has returned from a visit of several days with his brother, George White at Chester. Mr. White's brother is parole clerk at Chester penitentiary and Mr. White had an excellent opportunity to visit the prison. He says it is well worth a trip to Chester to see it. While there he saw John Medlock, alias "White Folks" and Prewitt who killed Frank Cashion and also saw L. J. Common and Frank Downs. Downs was sentenced at the last term of court for the killing of Frank White. He is now working on the lawn at the prison. Mr. White brought back a relic from the prison, a knife made apparently out of a file. It has a handle on it made from various materials. The knife is very sharp and one that a man could do great damage with if given an opportunity.

SCOTT ARRIVES IN EL PASO

El Paso, Tex., Aug. 9.—Major General Scott, chief of staff of the United States army, bearing a special commission from the state department to General Villa, arrived here today. He saw, among other callers, a committee of mining men at the home of J. F. Williams, whose guest he is to be while here, and made a brief visit to General Villa at Juarez. He was accompanied by his aide, Lieutenant Col. Michie and George C. Carothers, special agent of the state department. After his return from Juarez, Lieutenant Col. Michie explained that he visit to Villa was no part of the official conferences which will begin tomorrow.

BIRTH RECORD

Born—Monday morning to Mr. and Mrs. Leroy Eyles of 29 Davenport street, eight pound son.

Born—Sunday at Our Savior's hospital to Mr. and Mrs. Allen A. Jacobs, an 8-1-2 pound daughter, Dorothy Laura. Mrs. Jacobs before her marriage was Julia P. Tewksbury.

VISITED COMPANY B

Several citizens went to Springfield Sunday to see the rifle practice of Company B. They report a good showing of the local gunners.

THREE JOLIET HONOR MEN ARE AT LARGE

DUNNE ORDERS DISCHARGE OF ALL
GUARDS AT THE "HONOR" FARM

It is Said that the Men Considered
That Promise to Warden Allen
Ceased to be Binding When His
Resignation Was Announced.

Joliet, Ill., Aug. 9.—David Anderson, a life convict and one of the honor squad at the penitentiary is at large. It is said that he considered that his promise to Warden Allen, by the terms of which he became one of the prisoners who were not guarded, ceased to be binding when the warden's resignation was announced.

Harry Paterson, sentenced from Vandalla for twenty years, and C. E. Earlow, Bloomington, serving ten years, joined Anderson in the escape. All were employees on the "honor" farm at Lockport, near here.

Orders Guards Discharged

Springfield, Ill., Aug. 9.—All the guards in charge of the "honor" farm of the Joliet penitentiary, when three "honor" convicts escaped, were ordered suspended today by Governor Dunne, who wired Acting Warden Lawrence Ryan to put reliable men in charge of the farm immediately.

Late today Governor Dunne sent a supplemental telegram to Acting Warden Ryan instructing him to revise the list of honor men; returning to the prison those who indicated they felt they owed allegiance to Warden Allen, rather than to the state of Illinois.

Arrangements were made for one member of the board of prison trustees to live at the Honor Farm until further notice and for the other two to live at the penitentiary.

Confident of Success of System

"The escape of these three at this time will undoubtedly give rise to an attack on the honor system," said the governor in his message to Ryan. "I am thoroughly convinced that it can be made effective and that men can be found in the penitentiary who will keep their pledges. I will rely on you and the trustees to exercise the most ceaseless vigilance and care under the present instances."

"If you find any of the convicts on the honor farm have connived in any way at the escape of these men, strike them from the honor list and return them to their cells. It might also be wise for you to inform the convicts in a body of the treachery done by these men and warn them of the danger that might result to them."

UMPIRE QUIGLEY IS PAINFULLY INJURED IN GAS EXPLOSION

CHICAGO, Aug. 9.—Umpire E. C. Quigley, who was painfully injured when a gas stove exploded in the umpires quarters of the National league baseball park this afternoon, was resting easy tonight and will be back in the game within a week or ten days, according to his physicians. Quigley was preparing to heat water for a bath after the game and had just turned the gas full when the explosion occurred. He was hurled the length of the room and rendered unconscious. Umpire Hank O'Day heard the explosion and rushed into the room and turned off the gas. Quigley did not regain consciousness until he was removed to the west side hospital, a block away.

DIED OF ARSENICAL POISONING

Chicago, Aug. 9.—William Hoffmeyer, a prominent resident of Diamond Lake, Ill., who died under mysterious circumstances on August 7, was a victim of arsenical poisoning, it was announced today after an examination of Hoffmeyer's stomach by William D. McNally, coroner's chemist. Evidence of arsenic was found also in a bottle of whiskey found on Hoffmeyer's person. Deputy Coroner Edward Conrad of Lake county, Ill., is investigating the death.

U. S. TO ACT ALONE

Washington, Aug. 9.—The United States will continue to act alone in representations to Great Britain regarding neutral trade. It was learned today that negotiations begun by the Swedish legation here to obtain American co-operation in proposed concerted action of neutrals to protest against the British orders in council insofar as they work hardships on neutral commerce, have brought no results.

RECOVER TWO BODIES

Erie, Pa., Aug. 9.—The bodies of two more victims of the flood of Tuesday night were recovered here late today. This brings the total number of known dead up to thirty. Nine persons still are missing.

DUNNE REMOVES EXAMINERS

Springfield, Ill., Aug. 9.—D. N. W. Cox, of Cairo, Ill., and Dr. B. A. Smith, of Champaign, Ill., were removed from the state board of dental examiners by Gov. Dunne today for "neglect of duty."

OFFERS INTERURBAN STOCK TO ROCKFORD

Rockford, Ill., Aug. 9.—The Rockford and Interurban company tonight offered its capital stock to the city council for municipal ownership of interurban lines. The council referred the offer.

GEORGE FITCH DIES IN BERKELEY, CAL.

Author Fails to Rally
from Operation for
Appendicitis

WROTE SIWASH TALES

Gained Wide Reputation from
His Column of Witty Com-
ment in Peoria Transcript

TO REMOVE BODY TO PEORIA

BERKELEY, Cal., Aug. 9.—George Fitch, the author, of Peoria, Ill., died at a sanitarium here today, having failed to rally from an operation for appendicitis performed yesterday. Mr. Fitch was taken ill on Saturday.

He had been visiting his sister, Miss R. Louise Fitch, who is a student in the University of California.

Mr. Fitch came to California early last July with Mrs. Fitch, who was with him at the time of his death. Arrangements have been made to remove the body to Peoria for burial, after funeral services here next Friday.

Was Born in Galva, Ill.

Peoria, Ill., August 9.—George Egleston Fitch was born in Galva, Ill., June 5, 1877.

After graduating from Knox college in 1897 he took up newspaper work on the Galva, Ill. News. Later he was connected with the Galesburg Evening Mail of Galesburg, Illinois, the Fort Madison, Iowa Republican and the Council Bluffs, Iowa Daily Nonpareil.

Four years later he came to Peoria as managing editor and feature writer for the Peoria Transcript. In this capacity his column of "Transcripts" containing witty comments on Peoria happenings and national politics gained for him a wide reputation. He later resigned as managing editor of the Transcript in order to devote his time entirely to magazine work. He was the author of the famous Siwash college tales.

He was elected as a representative to the Illinois State Legislature in November, 1912 and served one term, being defeated for re-election last November.

Headed Humorists' Association

Mr. Fitch served one term as president of the American Press Humorists' Association. He was married October 5, 1904 to Miss Clara Gattrell Lynn of Kansas City. He is survived by his widow and three daughters, Mary, Elinor and Janet; his father, E. E. Fitch of Cambridge, Ill.; a brother, R. H. Fitch, of Peoria, Ill.; and a sister, Louise Fitch, of Berkeley, Calif.

TO INAUGURATE POPULAR PRICED BASEBALL AT CHICAGO FEDS PARK

CHICAGO, Aug. 9.—President Charles H. Weeghman, of the Chicago Federal league baseball club, announced tonight that baseball at a minimum admission price of ten cents would be inaugurated here Aug. 22 when the local club returns from the east.

According to the arrangement 3,000 bleacher seats will be available at 10 cents, 5,000 pavilion seats at 25 cents, 10,000 grandstand seats at 50 cents and 4,500 boxes at \$1.

EXPECT TEN INDICTMENTS

Chicago, Aug. 9.—Indictments against ten persons, possibly thirteen, are expected to be returned by the federal grand jury tomorrow afternoon when it resumes consideration of the cause and responsibility for the capsizing of the steamer Eastland in the Chicago river, July 24. The grand jury has been recessing since the middle of last week.

SUSPEND PITCHER REYNOLDS

Louisville, Ky., Aug. 9.—Pitcher Ross Reynolds, of the Louisville American association today was suspended for the remainder of the season. President O. H. Wathen announced that Reynolds had failed to observe the club's training rules.

VAN PETTEN HEADS HOME

Bloomington, Ill., Aug. 9.—E. M. Van Petten, former superintendent of the Bloomington schools, today, was notified of his appointment as superintendent of the Soldiers' Orphans' home at Normal, succeeding the late C. E. Bassett. He will take charge Thursday.

WILL RETURN THIS EVENING

James Pyatt, Walton Boxell and Misses Bess Pyatt, Elle Pyatt and Joannette Leck are expected home this evening from Saldora where they have been camping for the past few days. Thomas Jenkinson and Miss Meda Duncan who were with the party returned home Sunday evening.

PIT UNDER PEACE BOND

Elmer Nunes was put under peace bond in Justice Dyer's court Monday. The complaining witness was Joseph F. Rodrigues. Nunes will be compelled to keep the peace for six months or run afoul of the law.

COURT TAKES FERGUS SUIT UNDER ADVISEMENT

ATTORNEYS ARE ORDERED TO DRAW
UP BRIEFS

Judge Creighton Announces that He
Will Hand Down a Decision Aug-
ust 28—Supreme Court May be
Asked to Review Case.

Springfield, Ill., Aug. 9.—After four days of argument between Attorney General Lucey and his aids and Attorney Fayette S. Munro, representing John B. Ferguson, the Ferguson injunction suit hearing was taken under advisement by the court late today and the attorneys ordered to draw up briefs to be presented to Judge Creighton. The latter announced that he would hand down a decision August 28.

That the suit was to be appealed to the supreme court for review, which ever way it went was evident by discussion between the attorneys in the conference following the closing of the arguments.

"This case is one which includes many serious questions of public interest and the welfare of many persons, privately," said Judge Creighton after Munro's closing argument.

"In order that I may clearly understand the arguments of the case, I must wait for briefs to be submitted by both sides before making a decision. In order that we will not fail to get the case to the supreme court I will the attorneys to let the court know how soon they can have the briefs in my hands."

MANY BUSINESS MEN GO TO MILITARY TRAINING CAMP

CHICAGO, Aug. 9.—Fifty prominent Chicago business men left today for the United States military instruction camp at Plattsburg, N. Y., where they will be under military discipline until September 6th.

Many Go From Boston

Boston, Aug. 9.—A party of 250 young men, including many leaders in athletic, business and social activities of the city left tonight on a special train for Plattsburg, N. Y., to join the military training camp there.

Two Trains From New York

New York, Aug. 9.—Two special trains carrying 600 business and professional men of New York, Philadelphia and Baltimore left here tonight for Plattsburg, N. Y., where the men will attend the military training camp. Mayor Mitchell already is at the camp.

WILL NOT HOLD SWIMMING MARATHON

Chicago, Aug. 9.—On account of the Eastland disaster, which made the Chicago river a grave yard, the Illinois Athletic club will not hold its annual river marathon swimming race this year. The event has been scheduled for August 21.

BOMBARD ENTRANCE TO ALE

Petrograd, Aug. 9.—via London, Aug. 10.—The following official communication was issued tonight: "A German fleet of nine battleships and twelve cruisers with a large number of torpedo boat destroyers persistently attacked the entrance to the Gulf of Riga Sunday but everywhere were repulsed. A cruiser and two torpedo boat destroyers were damaged."

IMPRISON CORRESPONDENT

Washington, Aug. 9.—Consul Canada at Vera Cruz cabled the state department today that Henry W. Francis, correspondent of the International News Service, had been in prison "incommunicado" there three days and was removed to the penitentiary today. Francis, the message said, thinks his life is endangered and that drastic action is necessary to save him.

BLIND RACE TRACK OWNER DIES

Chicago, Aug. 9.—John Condon, the blind Chicago race track owner and probably the most widely known gambler of the west, died today at his home here from an attack of paralysis following a long period of illness. He was sixty years old.

ENDORSE PEACE CONFERENCE

St. Paul, Minn., Aug. 9.—Resolutions endorsing the peace conference to be held in Chicago September 5 and 6 were adopted today by the national Federation of German-American Catholic Societies in annual convention here.

ROOTERS WIN GAME

The Rooters ball team defeated the Cubs Monday by a score of 14 to 13. The batteries were: Cubs—J. Zell and Devlin; Rooters—R. Zell and C. Williamson.

TO CONTINUE WITH EIGHT CLUBS

Chicago, Aug. 9.—The Three Eye league weathered another storm today and after discussing a plan to drop the Decatur club decided finally to play the season out with eight clubs unless Decatur should find it impossible to go on.

GEORGE BATES DIES SUDDENLY

Springfield, Ill., Aug. 9.—George A. Bates, president of the Springfield Board of Education, died suddenly here tonight of heart trouble. He had been ill for an hour before his death.

TEUTONS MAKE FRESH PROGRESS

Austro-Germans Occupy
Praga, Ending First Phase
of Drive in East Poland

BRITISH TAKE TRENCHES

Fight Around Hooze Results in
Re-capture of Nearly a Mile
of Trenches By English

SINK TURKISH BATTLESHIP

LONDON, Aug. 9.—While the Austro-German armies made fresh progress today in their campaign against the Russians the conflict on the western front took on new impetus, Sir John French, commander of the British expeditionary force, reporting a fierce artillery engagement in which British and French forces captured trenches at Hooze along a front of 1,200 yards.

German Occupation Praga

The occupation of Praga, reported by Berlin, brings to a dramatic climax the first phase of the drive at the Polish capital, and the region of eastern Poland, of which Warsaw is the dominating center. Praga essentially is a part of the capital, with great railway stations on the roads running to Petrograd and Moscow.

Few details have been received of Grand Duke Nicholas' final stand at Praga, but the indications are that the withdrawal of the Russians became imperative to escape from the German lines gradually drawing together in their rear.

Lines Contracting Gradually

Warsaw now is the apex of a vast letter V, the arms of which are the river Narow on the north and the Vistula on the south. The German lines spread along these rivers are contracting gradually as the armies in the north and those in the south approach each other. The strip of territory across which the Russians may withdraw to safer positions now is little more than thirty miles across.

Besides this enveloping movement immediately to the east of Warsaw, Berlin reports a steady hammering at the great Russian fortresses of Kovno and Lomza, the chief significance of which is their proximity to the lines of railway communication to Petrograd. Novogorodsk is the only place west of Warsaw at which a Russian garrison remains and its fall seems imminent.

Attitude of Poles Arouses Interest

The attitude of the Poles toward the new German regime is arousing deep interest as the occupation of Warsaw unites for the first time three branches of the Poles heretofore divided among Russia, Germany and Austria. Under the Russian rule Poland has been a hotbed of disorder and it remains to be seen whether control of this occupied territory will be as difficult a problem for Germany as it was for Russia.

The official report from Berlin characterized the operations around Hooze as "a battle" but Sir John French's later report shows them to have been another trench fight preceded by a severe artillery exchange and resulting in the recapture by the British of nearly a mile of trenches previously taken by the Germans. This has served to divert public attention temporarily from the magnitude of the German sweep in the eastern field but operations in the west still lack general significance.

Sink Turkish Battleship

The commander of another British submarine, whose name has not yet been disclosed, was reported today to have distinguished himself by sinking the Turkish battleship, Khoyr-Ed-Din Barbarossa.

SUNDAY SCHOOL CLASSES GAVE SOCIAL

A social was recently given at Ebenezer church by the children in the classes of Miss Stella Blackburn and Mrs. H. Ferreira. It was well attended and the net profits were more than \$15 for the fund which the children are seeking to aid.

WEATHER FORECAST AND TEMPERATURES

WASHINGTON, Aug. 9.—Illinois: Unsettled Tuesday, probably showers in south and central portions; Wednesday partly cloudy; not much change in temperature.

Temperatures

The current, maximum and minimum temperatures recorded Monday were:	
Jacksonville	76 85 62
Boston	65 70 64
Buffalo	68 70 62
New York	78 80 66
New Orleans	84 90 78

The rains have descended and the floods have come. Wind and hail have done damage and yet the government crop report indicates that the U. S. will gather three billion bushels of corn and break other crop records. All crops will be greater than last year and the United States will have a big surplus to send abroad. Here in Morgan county the difficulties of the farmers have been many and work has been much delayed but general conditions nevertheless were never better.

In Justice to Labor.

New York World: It develops that the strike in the war munitions plant at Bridgeport, Conn., was ordered simply to secure an eight-hour day for the workmen and that no connection between the strikers and mysterious agents for foreign governments could be shown. But the charge that certain labor leaders received money from "somebody" to bring on the strike has not been seriously denied.

In justice to itself the American Federation of Labor should conduct a searching investigation of the charges that the Bridgeport strike was "bought and paid for," and should not permit the victory gained under questionable leadership to blind it to its larger interest. It is reported that President Gompers is making such an investigation. He shows himself the true friend of labor by such action.

Get the Roads Ready.

The movement which has just been inaugurated to have Hardin avenue oiled from Morton avenue to the Vandalla road is very opportune. The hope is to have this roadway oiled before the chautauqua begins a week from next Friday. If there is no rain between the present time and the chautauqua, the road will be very dusty without the oil, and should there be rainy weather before the chautauqua or at the time, the oiling of the road will make a passable highway clear from the paved streets to the chautauqua grounds.

In connection with this movement it has been suggested that road officers all over the county be asked to have special attention given to road dragging for the next week or ten days that the highways may be in the best possible condition. This suggestion is not intended as a criticism of any of the roads but the time is especially busy for farmers and some road work may be overlooked in the next week which could be done if special thought were given the matter. The indications are that the attendance at the chautauqua this year will be greater than ever before and the increasing number of automobiles owned in the county adds to the desirability of having the highways in the best possible condition.

Those Railway Tracks.

While it is easy to figure that if East and West State and South Main streets are paved that the paving cost for the street railway company, in addition to the new construction work necessary, will mean a very large bill, it will be a trifle hard to take the statement seriously that the company instead of paving may tear up its tracks and go out of business. It is estimated that the proposed paving work and the rebuilding of the track construction would cost the company \$75,000, and this is a large expenditure; yet when one considers the size of the investment the company already has in this property, it does not seem that it would be the course of wisdom to throw away that investment.

If we remember rightly, according to the figures compiled by the utility commission engineers, the company's track investments here have a valuation of more than \$100,000, and to tear up those tracks would mean to throw away practically all of this investment for the expense of taking up the track would consume practically all of the revenue produced from the rails. The statement from Mr. Chubbuck and Mr. Miser seems to be unequivocal, yet as indicated, it is a little hard to take the statement with absolute seriousness. Certainly would-be jitney drivers would not file injunction proceedings to prevent the company from tearing up their rails if they so desired.

Protection for Dyestuffs.

With Germany refusing to permit exportation of dyestuffs unless she is allowed to import cotton and the allied powers viewing cotton as contraband of war, American manufacturers are suffering keenly for lack of dyes and chemicals which only Germany can now produce. In some textile plants the working force has been reduced; others have been forced to close. "Such manufacturers see relief only in protective tariff," says P. C. Withers of Mt. Vernon, president of the National Association of Hosiery and Underwear Manufacturers. "We are willing to buy

American made dyes even at a considerable increase in price. It is not well for the United States to be dependent upon a foreign country for dyestuffs. Such dependence imperils a large domestic business."

The association of which Mr. Withers is president recently adopted a resolution that hosiery and underwear manufacturers, in common with nearly all other branches of the textile industry are "suffering severely because they are unable to obtain dyestuffs, which have heretofore been imported," declaring further that it is entirely feasible to manufacture dyestuffs in this country and that American capitalists stand ready to furnish capital for the business, providing sufficient protection is afforded to guarantee that the investment will not be wiped out. The association favors the prompt enactment of new tariff regulations or proper changes in the present tariff law guaranteeing adequate protection. In the absence of such guarantee, American manufacturers hesitate to enter an industry which requires millions of dollars and which would run the risk of destruction the moment the war is over and the cheaper labor of Germany freed to re-enter the field it has so long had.

George Fitch's Last Line Penned.

George Fitch is dead. When the news came over the wire last night that the humorist had passed on, at a sanitarium in Berkeley, Calif., it came as shock probably to every newspaper worker in the country. It seemed to those of us who have followed his career and watched him develop from a newspaper reporter to one of the best known authors in this country that something personal had gone out of our lives.

George Fitch was intensely human. His writings were wholesome and always of the brighter side of life. He gave to the world in the Siwash college stories the best of that class ever written and they were true to life. Fitch ranked with George Ade as an exemplar of types in small towns and colleges. After his Siwash stories Fitch branched out and became more prolific and has given us other things equally as good yet along different lines. At the present time many papers including the Journal are running his vest pocket essays.

Fitch was essentially an Illinois product and this state can claim him as her very own. He was born in Galva. Some years ago he began his newspaper career, probably in Galesburg. In company with Charlie May they bought the Galesburg Mail and ran it for some time. Then they went to Peoria and purchased the Peoria Transcript. This partnership continued until 1912 when Fitch retired from the paper. That year he was elected to the Illinois legislature on the Progressive ticket. He did not make any great fame for himself as a law maker, but he managed to have a lot of fun out of the job. It is said that his advocacy of the Progressive movement was what caused the split with May and caused him to leave the Transcript. He has kept up his writing all the time with headquarters in Peoria. Recently he announced that he would go back to Galva, his boyhood home, this fall and live.

The passing of George Fitch is a great loss to the literary world. He had his peculiar sphere as did Elbert Hubbard. His death came just when he had achieved great fame and a competence which would have enabled him to enjoy the fruits of many years of hard labor.

ARRESTED ON CHARGE OF BOOTLEGGING.

Clint Jackson was arrested Sunday by Officers Deatherage, Sharp and Reynolds on the charge of bootlegging. The police have been looking for Jackson for some time but he has been out of the city. He was taken before Justice Dyer Monday and in default of bond in the sum of \$500 was sent to jail to await the action of the grand jury.

WILL ATTEND CONVENTION.

Circuit Clerk and Mrs. Eugene D. Pyatt will leave this morning for East St. Louis where Mr. Pyatt will attend the convention of Circuit clerks and recorders. The convention will be in session August 10 and 11.

SPECIAL TAX NOTICE.

Notice is hereby given, to all persons interested, that the City Council of the City of Jacksonville, Illinois, having ordered that the roadway of South Main Street in said City, from the center line of Morton avenue where the same intersects said South Main street thence south to the center line of Michigan avenue in said City be paved with crushed stone and a coal tar compound binder, the same width as the present pavement, except the right of way of the Jacksonville Railway Co., which shall be paved with brick upon a crushed stone and concrete foundation; the ordinance for the same being on file in the office of the City Clerk of said City, and said City having applied to the County Court of Morgan County, Illinois, for the confirmation of the assessment of the cost of said improvement according to the benefits, and an assessment therefor having been made and returned to said Court; the final hearing thereon will be had on the 25th day of August, A. D. 1915, at 10 o'clock a.m., or as soon thereafter as the business of the Court will permit.

All persons desiring may file objections in said Court before said date and may appear on the hearing and make their defense.

It is further provided by the Ordinance that said assessment shall be collected in ten (10) annual installments, with interest at the rate of five per cent. per annum, as provided by law.

RAILWAY COMPANY MAY TAKE UP TRACKS

NO MONEY AVAILABLE FOR STREET PAVING WORK.

Supt. Miser Declares Proposed Improvements are Such That Funds Cannot Be Provided — Bonds Against Railroad He Says Cannot Be Floated Because of Commission Ruling.

What would you think of State street and Main street without any street car tracks? They would make fine speedways for those who own automobiles. But then there are lots of people who don't own such luxuries. If contemplated paving is done Jacksonville citizens, according to W. B. Miser, are likely to see those streets without the usual street car tracks.

Mr. Miser, who is general superintendent of the Illinois Traction system's local utilities, says that such a thing may come to pass. According to his statement, H. E. Chubbuck, vice-president executive of the Illinois Traction system, has notified him that if the two streets above named are paved the company will have to remove its tracks. This will happen because no bonds can be floated for the Jacksonville Railway company as the bonds must be issued directly against that utility.

Mr. Miser when asked about the company's plan if West State and South Main streets are paved, said:

"The Illinois Traction system will tear up its tracks if the paving plans as contemplated by the local improvements of West State and South Main streets are carried out. We have had engineers working on the cost of paving to the company and we have figured that it will cost the company \$25,000 per mile to make its part of the improvement. This, however, is not just the cost of paving. If the paving is carried out and the company does its share the improvement will require in addition to the paving, the laying of new ties and rails and the bonding of the track and new joints.

"The company figures the cost of the present improvement from Morton avenue to Michigan at 5,000. The total cost from Michigan avenue to the public square will be about \$11,000. This is for paving alone.

"If the utility commission would allow the company to merge all of its local utilities it is probable that a way could be seen to do the company's part of the work. The utility commission, however, has made a ruling that each of the local utilities must be run as a separate concern. When Mr. Chubbuck went to Chicago and tried to get some one to take bonds against the Jacksonville Railway company he met with a flat refusal. The reason for this is that the railway line has never been a paying proposition. If the company was allowed to combine its three utilities there would be no trouble in financing the proposition."

Mr. Miser has notified Mayor H. J. Rodgers that when the city is ready to make the improvements on West State and South Main streets that the company will remove its tracks.

It does not seem possible that the Illinois Traction system will go so far as to tear up its tracks in Jacksonville, in which it has a large investment. However, if the company is not able to raise money to pay for the improvements contemplated, it might come to pass. If the company's figures are correct that it will take \$25,000 per mile to pave and put their tracks in first class condition it means quite a sum of money. Figured on that basis it would mean an expenditure of about \$75,000 for the improvements referred to. The company already has spent probably \$5,000 in the relaying of its tracks in South Jacksonville. As is well known the building of interurbans and street car lines has been a dead issue the past few years. One or it might be said two have started out with this city as their destination but both failed to arrive.

Engineer E. M. Henderson when seen said the cost to the railway company for its part of the paving from Morton to Michigan avenues would be \$21,626.

Invisible class of Northminster church will hold their annual social at the Independence Branch School House, Tuesday evening, August 10. Games and a good time for everybody.

FREEER ARRESTED HERE FOR BREAKING PAROLE

J. E. Freer who was paroled from Chester was arrested by Deputy Sheriffs Andrews and Norris Sunday evening. Freer it will be remembered was a former resident of Jacksonville but removed to Springfield. He abandoned his wife and children and went to Oklahoma with another woman. He was brought back to Illinois and tried on the charge of bigamy and sentenced to Chester. He was paroled but did not seem to be able to keep straight and gave a number of worthless checks in Springfield. He disappeared and the officers have since been looking for him. He was placed in jail and the prison authorities notified and he will be returned to Chester. Freer claims to have settled up the check business in Springfield but it is not probable that he will be able to convince the authorities that he has not violated his parole.

TO VISIT DAUGHTER.

Mrs. J. J. McCarty of West Morton avenue left Saturday morning for Springfield, where she will spend a week at the home of her daughter, Mrs. Vance Smith. Mr. Smith is an attorney employed in the legal department of the State Insurance Commission.

L. R. Cooley of Quincy spent Monday in the city attending to business matters.

Merry Mabel

Blessings on thee merry little maid!
Daily visits to this shop she's paid
Since she was 'knee-high to a lamb'
For she loves to see the Butcher Man
Her mamma knows full well that she
Will be treated with due courtesy
And that the meat we give wee Mabel
Will bring good-cheer to any table
So that's just why they patronize
The one who helps them economize.

MORTUARY

Robinson.

Henry Clayton Robinson died at his home, the Gravel Springs farm, four miles northwest of the city, Monday evening at 8:30 o'clock. Death was due to heart failure, the deceased having been afflicted with it for the last seven years.

Deceased was the son of George and Susan Flewan Robinson and was born at Barry, Vermont, December 16, 1840. He has resided in Illinois for seven years.

Mr. Robinson was first married to Amanda Smith. His second marriage was to Mrs. Emma Richardson. There survive him one daughter, Mrs. Adella Proud and two sons, George and Frank Robinson, all of Concord, N. H. There also survive two sisters, Miss Mary Robinson and Mrs. Anna Morrison, both of Concord, N. H.

Deceased was for many years a member of the Baptist church. He also was a member of White Mountain lodge I. O. O. F.

No arrangements have yet been made for the funeral.

SOCIAL EVENTS

Riggs Family Holds Family Reunion.

The Riggs family held a reunion at Nichols Park Sunday. The families assembled in the morning and stayed all day both dinner and supper being served in picnic fashion. The children enjoyed themselves at the play grounds and all spent a most happy time. Those present were Mr. and Mrs. Walter Riggs and children, Ralph, Ivan, Howard and Martha, Murrayville; Mr. and Mrs. Herbert Riggs and children, Carl, Iva and Russell, of Ceres; Mr. and Mrs. G. L. Riggs and children Lucille and Kent of Jacksonville; Mr. and Mrs. Basil Ketner and children, Brooke, Ladora and Ellen, Murrayville; Mr. and Mrs. Clinton Million and children Esther and David, Murrayville; Mr. and Mrs. Clifford Kitner and son Thomas of Murrayville.

Salem Ladies at Afternoon Tea.

A pleasant afternoon tea was given by Mrs. Chas. Matthews' circle of Salem Ladies Aid at her hospitable home east of the city. There were about sixty guests present. Music was furnished by gramophone and all enjoyed a good social time. After the business session of the society, refreshments were served by the circle.

Those having charge were as follows: Mrs. Chas. Matthews, Mrs. Thos. Boyd, Mrs. Chas. Cully, Mrs. Will Davies, Mrs. Milton Davies, Miss Alice Baker, Mrs. Ed. Sturgeon, Mrs. Wes. Fox, Mrs. Ed. Armstrong, assisted by Misses Nellie Matthews, Margaret and Louise Trotter and Nellie Huse.

Birthday Dinner For Russell Standley.

Mr. and Mrs. Edward Standley, of Joy Prairie, entertained at dinner Sunday in honor of the birthday anniversary of their little son, Russell Standley. There were present about thirty-three guests. A table was placed for the children on the lawn plates being laid for thirteen. The repast was an excellent one and thoroughly enjoyed by the little folks. Russell's birthday cake adorned the center of the table. It was baked by his sister, Mrs. Bertha Beddingfield. The table for the grown-ups was set in the dining room and was loaded with all of the good things to eat. Those present were: Mrs. Susan Margaret Smith and son, Oscar, it also being his birthday anniversary; Mrs. Jennie Johnson, of Arcadia; Mr. and Mrs. Edward Ator, and daughters, Rena and Hetty, Mr. and Mrs. D. L. Voorhees and daughter, Alma, and sons, Arthur and Orville, Mr. and Mrs. Richard Standley and daughters, Myrl and Beatrice, and sons, Philip, Eugene and Marvin, Mr. and Mrs. Carl Beddingfield and daughter, Fay and sons, Charles and Howard.

Gave Party at the Lake.

A dancing party was given at Nichols park pavilion in honor of Miss Laura B. Dempsey of Quincy, who has been a guest at the home of Mr. and Mrs. James Lawless. Nearly one hundred young people attended and the occasion was one of great pleasure.

Observed Tenth Wedding Anniversary.

Mr. and Mrs. A. H. King have returned from Nauvoo, Ill., where they have been visiting Mr. and Mrs. Ben Keochle, Mrs. Keochle being a sister of Mrs. King. While there Mr. and Mrs. Keochle gave a party for the Kings to celebrate their tenth wedding anniversary. Supper was served to about thirty-five. Games were played and prizes awarded. All stayed until a late hour. Mr. and Mrs. King were kindly remembered by a number of useful presents.

Visit at McGown Home Near Ashland.

A large number of relatives went to the home of William McGown, of Ashland, Sunday, and spent a most enjoyable day. At noon a most elaborate chicken dinner was spread on the lawn. The afternoon was spent with music and songs and in the evening ice cream and cake was served and it was indeed a most enjoyable occasion.

Those present were Mr. and Mrs. Michael Schneider, Mr. and Mrs. Allen Franz, and son, Mr. and Mrs. William Schneider, and daughter, Mr. and Mrs. Clifford Scott and children, Arthur Schneider, all of Jacksonville; Mrs. J. R. Booth, Mrs. Norman Conwill and two sons and Miss Daisy Collins, all of Springfield; Mr. and Mrs. Joseph Hodgson and children, Miss Dorothy Hodgson, Miss Audrey Hodgson, of Sinclair, and John Dyre, of Prentice.

GRACE CHURCH PICNIC.

The Grace church Sunday school picnic will be held at Nichols park Wednesday. All members of the S. S. will be provided with free cars to and from the park. The cars will leave the church at 10:30 sharp. A basket dinner will be served at the noon hour. A program of games and social events will be held.

ARLINGTON MERCHANT FEELS BETTER

Friedrich Redeker, a business man of Arlington, Ill., was a victim of stomach and digestive troubles. He went to a hospital for an operation for another trouble. When he recovered from the operation he found his stomach trouble worse and his heart affected.

He took Mayr's Wonderful Remedy. He got his appetite back and gained in strength right away. He wrote:

"I owe you some words of congratulation for your stomach remedy. I could not eat anything but soft food and the bloating from gas got so bad that at one time I had a fainting spell for three hours. I went to one of your Chicago drug stores and got your remedy. I took the remedy and the next morning was relieved. I am getting stronger and can eat anything that comes along."

Mayr's Wonderful Remedy gives permanent results for stomach, liver and intestinal ailments. Eat as much and whatever you like. No more distress after eating, pressure of gas in the stomach and around the heart. Get one bottle of your druggist now and try it on an absolute guarantee—if not satisfactory money will be returned.

RECORD CROPS OF CORN, OATS AND WHEAT IN PROSPECT FOR HARVEST

CORN PROSPECTS INCREASE ALMOST 100,
000,000 BUSHELS

Three Billion Bushels of Corn, One and a Half Billion Bushels
of Oats and a Billion Bushels of Wheat Are Forecast—
Record Crops of Rye, White and Sweet Potatoes, Tobacco,
Rice and Hay Are Also Predicted.

Washington, Aug. 9.—Three billion bushels of corn, one and a half billion bushels of oats and a billion bushels of wheat are in prospect for this year's American harvest. Records of rye, white and sweet potatoes, tobacco, rice and hay also are predicted for the prosperous farmers, who have planted 310,544,000 acres or 10,000,000 acres more than last year, to their principal products. The wheat crop, the greatest ever grown in any country, will be worth more than \$1,000,000,000 while the corn crop's value may reach \$2,500,000,000. Estimates of the principal crops, announced today by the department of agriculture based on conditions of August 1, show that all crops will be greater than last year. Interest centered on wheat and corn. Both showed improvement over July condition, though excessive rains and cold weather in the central states interfered with threshing. Oats also suffered in those states but in other sections the improvement more than offset this.

Corn prospects increased almost 100,000,000 bushels. The principal gains have been: Illinois, 30,000,000 bushels; Kansas 24,000,000; Oklahoma, 26,000,000; Nebraska 15,000,000; Iowa 14,000,000; and Texas 10,000,000.

Kansas showed a loss of 12,000,000 bushels in winter wheat; Oklahoma 6,000,000; Nebraska 4,000,000; and Missouri 3,000,000, while Ohio and Indiana showed an increase of 3,000,000 bushels each.

White potatoes promise to exceed their former record production by 103,000,000 bushels and sweet potatoes by 4,000,000 bushels. Other increases over record crops indicated include tobacco 28,000,000 pounds; flax, 4,200,000 bushels; hay 2,400,000 tons and rye 1,300,000 bushels. Corn prospects fell 206,000,000 bushels and oats 16,000,000 bushels below the records.

Washington, Aug. 9.—American farmers are harvesting the greatest wheat crop ever grown in any one country. It may reach a billion bushels. Department of agriculture experts today estimated the crop at 966,000,000 bushels, basing their calculation on the condition of the crop August 1. Bumper harvests of other cereals and food crops are indicated.

The department of agriculture's August grain report, issued today estimates the production of the country's leading crops as follows: Production of middle western states, in thousands omitted, follows:

States	Yield	Forecast	Production
Ohio	19.5	40,200	36,538
Indiana	16.9	46,700	43,239
Illinois	19.5	56,100	46,250
Iowa	21.5	11,400	11,016
Missouri	12.3	34,100	43,333
Nebraska	19.3	69,500	64,172
Kansas	14.0	118,600	176,300
Okla.	22.6	38,800	47,975

Spring Wheat: Condition 92.0 per cent of a normal, compared with 91.2 last month, 79.0 last year and 81.6 the 10-year average. Indicated acre yield 115.4 bushels, compared with 109.5 last year and 97.1 the 1909-13 average.

Sweet Potatoes: Condition 85.5 per cent of a normal, compared with 88.7 last month, 75.5 last year and 85.2 the 10-year average. Indicated acre yield 95.1 bushels, compared with 93.8 last year and 92.7 the 1909-13 average.

Hay: (all time). Estimated acreage, 50,907,000 compared with 48,400,000 last year. Condition 89.0 per cent of a normal, compared with 85.2 last month, 86.7 last year and 84.3 the seven year average. Indicated acre yield 1.47 tons compared with 1.43 last year and 1.34 the 1909-13 average.

Apples: Condition 61.5 per cent of a normal, compared with 63.3 last month, 61.3 last year and 54.0 the 10-year average.

Peaches: Condition 72.5 per cent of a normal, compared with 73.1 last month, 55.9 last year and 54.0 the 10-year average.

The size of the country's important farm crops, forecast from their condition August 1 by the Department of Agriculture's crop reporting board and announced today, is given below with the production estimates forecast from the July condition and the final harvest figures of last year's crops. Comparison of the July and August forecasts shows the change in bushels of the harvest prospects as affected by weather and other conditions during the month.

	August Forecast	July Forecast	1914 Crop
Winter wheat	659,000,000	668,000,000	685,000,000
Spring wheat	307,000,000	295,000,000	206,000,000
All wheat	966,000,000	963,000,000	891,000,000
Corn	2,918,000,000	2,814,000,000	2,673,000,000
Oats	1,402,000,000	1,399,000,000	1,141,000,000
White Potatoes	431,000,000	383,000,000	406,000,000
Sweet potatoes	63,000,000	64,000,000	57,000,000
Hay (tons)	75,000,000	194,000,000	253,000,000
Apples	205,000,000	58,000,000	54,000,000
Peaches	60,000,000		

MT. EMORY SUBSCRIPTIONS.

Mt. Emory Baptist church has completed the raising of a \$500.00 fund to apply to its debt of \$1,000.00 and members of the church wish to thank all who have made subscriptions. The following have contributed through Edward Harmon, solicitor for the church, towards the completion of the fund: Rev. J. D. Meriwether, \$3.00; J. L. Morgan, \$5.00; Simon Faucett, \$3.00; David Duncan, \$5.00; Mrs. Belle Muse, \$2.00; H. J. Rodgers, \$5.00; Mr. C. L. Starks, \$1.00; Mrs. L. P. Owen, \$2.50; Mrs. Laura Douglas, \$5.00; Mrs. Mattie Wright, \$1.50; Mrs. Florence Cowans, \$1.00; Mrs. Amanda Staten, \$1.00; Mrs. Katie Parker, \$2.50; Mrs. Ethel Johnson,

\$2.50; L. H. Pratt, \$1.00; Mrs. Harriet Pyles, \$2.00; Mrs. L. H. Pratt, \$2.00; Silas Huggett, \$2.50; John A. Fernandes, \$5.00; H. E. Huggett, \$2.50; three friends, \$3.00; W. V. Gable, \$5.00; H. C. Gay, \$7.50; H. K. Chenoweth, \$1.00; W. L. Fay, \$1.00; R. R. Coultas, \$2.50; Grant Graff, \$2.50; Mrs. Tom Scott, \$5.00; Robert Majors, \$4.00; Mrs. Geneva Majors, \$2.50; Ora Moore, \$1.00; Mrs. Cora Waddell, \$1.00; Daniel Tinsley, Jr., \$1.00; Miss Ira Mallory, \$1.00; total, \$42.20.

Miss Edna Slack of West College avenue motored Sunday to Franklin in Dr. Cochran's Ford and spent the day at the home of her parents, Mr. and Mrs. Henry Slack.

PLAN ASPHALT PAVEMENT FOR EAST STATE STREET

Resolution Passed By Board of Local Improvement—Estimated Cost is \$20,236.

The board of local improvement passed a resolution Monday providing for an asphalt pavement with six inch concrete foundation on East State street. The estimate of City Engineer E. M. Henderson for this improvement is \$20,236. The separate expense figures for this estimate are as follows:

6337.6 sq. yds. asphalt @ \$2 per yard	\$12,675.20
1953.7 sq. yds. brick @ \$1 per square yard	1,953.70
1953.7 sq. yds. concrete foundation @ 60c per square yard	1,172.22
1953.7 sq. yds. crushed stone @ 25c per sq. yd.	448.43
1953.7 sq. yds. grout filler @ 12c per sq. yd.	234.44
111.8 cu. yds. sand cushion @ \$1.50 per cu. yd.	167.70
1550.8 cu. yds. excavating and preparing sub-base @ 35c per cu. yd.	542.78
3442 lin. ft. sandstone curb @ 55c per lin. ft.	1,893.10
4 cast iron inlets @ \$14.50 each	58.00
Court costs and lawful expenses attending the same	1,050.43
Total	\$20,236.00

ALEXANDER DEFEATS JACKSONVILLE GRAYS

The Jacksonville Grays journeyed to Alexander Sunday and were defeated by the Kaiser Merchants by a score of 14 to 3. There was not much of interest in the game aside from the batting of Beerup of Alexander who made two triples and a double. The lineup:

Kaiser Merchants—p. Pate; c. Moody; lb., Beerup; 2b., A. Johnson; ss., Groves; 3b., Saugier; rf., Young; lf., Wiegand; cf., Flynn.

Grays—p., Yost; Flynn; c., Leary; lb., Wagner; 2b., Kuschmann; ss., DeFrates; 3b., Kastrup; rf., Mitchell; lf., Thompson; cf., Flynn; Yost. (Yost pitched 6 innings and Flynn, 3 innings.)

The score by innings: Merchants .000 108 14—14 13 7 Grays .001 006 001—0 7 4

Struck out—by Yost, 2; by Flynn 2; by Pate, 12. Bases—by Yost, 0; by Flynn, 1; by Pate, 7. Bases stolen—by Alexander, 9; by Jacksonville, 5.

MAKES DANDRUFF QUICKLY VANISH.

No one likes dandruff, but to get rid of it you must do more than wash your hair. The cause of dandruff lies not in the hair, but on the scalp and in the hair roots, and just as twice daily you use a germicidal tooth powder or cream to cleanse your teeth of germs, so you should use Parisian Sage twice daily to drive dandruff from your scalp, prevent its return, protect your hair from falling out and nourish its proper growth. Dandruff makes your hair fall out. Parisian Sage makes dandruff fall out and your hair stay in.

A delightfully perfumed hair and scalp treatment easily applied at home, very inexpensive and obtainable from Coover & Shreve or at any drug or toilet counter.—Adv.

Can Tell You How To Save Money

It is an absolute fact that properly prepared ground is the kind that produces the crops. To properly prepare the ground you must have the correct kind of tools. Now is the time to "GET BUSY." Early plowing, thorough pulverizing of the ground give a proper seed bed. And, what a crop of wheat we will have. If you are "Up-to-Date" you will look over our line and choose a

"Three Horse Gang"

one with a mould board that turns under all the trash and leaves a perfectly level field, one that will shame your neighbors. This plow saves the expense of one horse and one set of harness. It makes the horse happy, and the owner

ASTORIA VERY EASY

FOR EAGLES SUNDAY

Game Was Poorly Played All the Way Through—Final Score 12 to 0.

There was an alleged ball game at Nichols park Sunday afternoon between the Eagles and Astoria. The spectators after witnessing the nine spasms arose as one man, and, also as one woman and queried, "Why is Astoria. We don't know. Neither do we know how such players are allowed to run at large and have people pay to see them. They should have been arrested for obtaining money under false pretenses."

A few weeks ago Astoria came down and played the Eagles a game in which the score was 2 to 0 in favor of the Eagles. We said at that time that it seemed to be luck on the part of Astoria that the score was so close. Yesterday demonstrated it as the score was 12 to 0 in favor of the Eagles and they probably could have made a lot more if they had been in the mood.

The visitors and especially the gentleman who acts as captain, had lots of gab. They really didn't seem to know they were making life miserable for the spectators who had been inveigled into paying a quarter to see ball game. After giving the batting order as it appears in the box score the visitors traded about in the first inning and did the same thing all through the game. They were all so bad, however, that it does not make much difference to whom are given the putouts, assists and errors.

The locals played good ball when it is considered that they had no incentive. Only one fielding error was made and they gathered fourteen hits. White pitched good ball, striking out thirteen men. Clark gave him great support back of the plate. The Eagles also ran wild on the bases, pilfering a total of 12.

It would be a cruel thing to tell the story of how the twelve runs were made. Suffice to say that four runs were made in the first inning.

after two men were down on three singles the visitors assisting liberally with errors. They made five in the fifth on four hits one being a triple by Denny and one a double by Christopher. In the seventh three were made on four hits, one a double by Clark.

Much ado about nothing in tabulated form.

ROTATION.

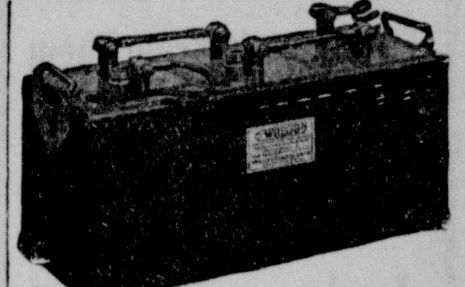

George Fitch.

Rotation is the process of allowing one thing to follow another in swift alternation.

It was first utilized by old Andrew Jackson, who believed that if Democrats could be allowed to rotate rapidly in offices formerly held by whigs the party would be much more contented. This proved to be the case but the government suffered from dizziness most of the time.

Rotation in office was perfected until the department buildings were constructed with wide corridors in order to allow the outgoing and incoming forces to pass each other without disturbing the routine of government.

Rotation is also practiced on American farms with great success. By planting first one crop, then another, the farmer deceives the land into thinking it is getting a rest. This plan is also applied to the farmer's wife with good results. By allowing his wife to rest up from the housework by milking and to rest up

GEORGE CUTSHAW TIES WORLD BATTING RECORD

GETS SIX CONSECUTIVE HITS IN AS MANY TIMES UP.

Brooklyn Shuts Cubs Out, 13 to 0—Make Twenty-three Hits Off Pierce and Standridge—Pfeffer Allows Only Two Safeties.

Chicago, Aug. 9.—George Cutshaw, second baseman for Brooklyn, today tied the world's record held by Clarence Beamon of Pittsburgh by making six consecutive hits in as many times at bat in the game against Chicago.

The visitors shut out the locals 13 to 0. Brooklyn played a slug-ging game, making a total of 23 hits off Pierce and Standridge.

Chicago gathered one hit in the first inning and Good, who made it, reached second when Wheat fumbled the ball. He was the only man to get that far around the bases.

Archer made the other hit in the second inning but failed to advance. No man walked on either side and no sacrifices were made.

Umpire O'Day who was re-appointed yesterday, was compelled to officiate alone today because his partner, Ernest C. Quigley, was painfully hurt by a gas explosion.

B. B. Johnson, president of the American league, was the guest of President Tenor of the National league at the game, it being Mr. Johnson's first appearance at the park since the world's series of 1910.

Pittsburgh .. 002 000 010—3 11 1
Batteries—Schulz, Anderson, Bedient and Blair, Allen; Dickson, Knefzer and O'Connor.

SOX GET EARLY LEAD AND DOWN ATHLETICS

FABER IS VERY EFFECTIVE EXCEPT IN NINTH.

Nabors Settles Down After the Third Inning and Does Good Work—Detroit Defeats Washington in a Thirteen Inning Contest.

Philadelphia, Aug. 9.—Unsteady pitching gave Chicago a big lead in the first three innings today and Philadelphia was easily defeated 8 to 4. Nabors, formerly of the New-man, Ga., club, settled down after the third and did good work. Faber was very effective, except in the ninth inning and was given splendid support.

Detroit, 5; Washington, 3.
Washington, Aug. 9.—Veatch's double, Burns' single and Young's triple with two out in the 13th inning gave Detroit two runs and a 5 to 3 victory over Washington today. In Washington's half inning Gandil doubled, Kopp drew a pass and Williams, pinch hitting for Henry moved them up with a sacrifice but McBride fanned and Walter Johnson batting for Ayers, flied out to Veach.

DECATUR PLAYERS GO ON STRIKE; REFUSE TO PLAY BLOOMINGTON

DECATUR, Ill., Aug. 9.—All of the players on the Decatur baseball club with the exception of Manager Duggan and Pitcher McCabe went on a strike Monday and refused to play Bloomington, when they did

not receive their full salaries from the club. One player was given his check in full, and other members of the team took exception to this. Manager Lindsay consented to playing two games tomorrow and the game was not forfeited. It is doubtful, however, whether the local players will take the field tomorrow.

The "Fins" of a Submarine.
There are few persons outside of the navy who have ever seen a submarine's "fins" in action. The modern submersible craft built for the United States navy are all provided with these lateral rudders, but when the vessels are at the surface or moving in a level plane under water the fins are folded back into recesses in the sides of the hull. The purpose of these plans is to aid the submarine to rise or sink on an even keel. "Porpoising," or rising and diving at an angle, is avoided in submarine practice as much as possible. The lateral fins are attached to the hull by ball and socket joints, so that they may be rotated to give a planing effect either upward or downward at any angle and folded away when not in use.—Popular Mechanics.

Live Stock Was Cheap In 1914.
The high cost of living lends an interest to a volume issued by the London Pipe Roll society. From the introduction one gathers an idea of prices in 1914. Certain land was to be stocked and a price for each class of stock was fixed. Oxen figure at four shillings, cows a shilling less. Farm horses were also four shillings a head, pigs were a shilling, and sheep stood at sixpence. Incidentally, the book proves the antiquity of the familiar line in London of 40 shillings, for it records its imposition as long ago as 1185 on one who had overthrown a pillory.

Good Reply.
The teacher was drilling the class in mental arithmetic.
"Now, boys," he said, "here is an easy one. A man desiring to go into business borrows \$1,000,000 at 15 per cent for four years. What's the result? Quick!"
Fifteen hands shot up and fifteen voices shouted in chorus:
"The man goes broke."—St. Louis Post-Dispatch.

Peter's Version.
On the last day of school prizes were distributed at Peter's school. When the little boy returned home the mother was entertaining callers.
"Well, Peter," asked one of the callers, "did you get a prize?"
"No," replied Peter, "but I got horrible mention."—New York Times.

Bluff.
"Bah!" sneered the blustering man. "Bluff is the thing. A man can bluff his way through life."
"But," said the conservative, "if you couldn't swim and fell in you couldn't bluff the river for a second."—Livingston Lance.

And No Wonder.
"What made that stout woman so furious?"
"Just as she was getting on the subway train the gateman said 'Both gates, lady.'"—Philadelphia Ledger.

Our Neighbor.
What is meant by our neighbor we cannot doubt. It is every one with whom we are brought into contact, whoever it be, whom we have any means of helping.—Dean Stanley.

Senseless Zeal.
Zeal without sense usually goes plumb to waste. A dog digging for an imaginary cat in a flower bed has plenty of zeal.—Pittsburgh Post.

WORLD'S MARKET NEWS

WHEAT SAGS IN VALUE OWING TO PROSPECTS OF BEARISH REPORT

Government Figures do Not Prove so Big as the More Radical Bears Had Predicted—Closing Prices are Unsettled.

Chicago, Aug. 9.—Wheat sagged in value today owing largely to prospects of a bearing crop report from Washington. As a matter of fact, however, the government figures, which were made public after trading hours, did not prove so big as the more radical bears had predicted. Closing prices were unsettled at 1/2 to 3/4 to 1/2 net decline. Corn closed 1/4 to 1/2 to 3/4 down, and oats off 1/4 to 1/2 to 3/4. In provisions the outcome was 2 1/2 to 2 3/4 advance. Rains in Kansas and Oklahoma gave a little strength to wheat at the start. The effect, nevertheless rapidly wore off despite higher quotations from Liverpool. One of the circumstances discouraging the bulls was the announcement that wheat was already being cut in Canada all the way from Moose Jaw to the Red River. In corn as in wheat, the government estimate failed to meet fully the figures expected by the bears. This was not known in time however, to prevent the corn market from easing off on account of favorable weather and a material increase of receipts. Oats like other cereals made a less bearish showing in the government report than had been looked for. Better conditions for threshing were what pulled down quotations. Higher prices in the hog market lifted provisions. Some bullish dealers professed to see chances of a better outlook for exports.

DEMAND FOR INDUSTRIAL STOCKS DETERMINE CHARACTER OF MARKET

Course of Prices is Uncertain in the Early Transactions—Interest in War Shares is Unflagging.

New York, Aug. 9.—The demand for industrial stocks determined the character of the market today. In the early transactions the course of prices was uncertain. The disposition to take profits was apparent throughout but interest in the war shares was unflagging. During the afternoon railroads as well as industrials responded to a broad buying movement which continued to the close. Last quotations were on a substantial higher basis. Total sales were 695,000 shares.
United States Steel was traded in heavily and touched a new high mark for the movement at 74. Among the war stocks advanced in some cases were 5 to 10 points. Motor, Tobacco and Petroleum shares developed pronounced strength.
The report that war contracts amounting to more than \$200,000,000 were to be let was used to keep up the bullish interest in the war order group. Steel trade advices were optimistic.
The crop report reacted favorably on railroad shares, being better in some particulars than was expected. Heaviness appeared in Canadian Pacific. News of the declaration of the regular dividend was not received from Montreal until after the close.
There was an unusual break in exchange rates. Exchange on London declined to 4.75, a new low record for the war period. Exchange on Paris also reached a low record at 5.74.

Great Old Remedy

For Skin Diseases

S. S. S. Clears Skin of Eruptions
Drives Poison From
the System.

Get it fixed in your mind that skin
eruptions, Scrofula, Eczema, burning
itching skin, and all skin diseases
are due entirely to impure and
infected blood. If the trouble was
on the outside of the skin, by
simply washing and keeping it clean
you could obtain relief—not even
ointments, lotions, and salves, would
be necessary. Agree with us in this
belief, and your trouble can be re-
lieved—you can be entirely restored
to health. S. S. S. is a purely vegetable
treatment that you can secure
from your own druggist—it is a blood
tonic that will purify your blood and
cause a most decided abatement of
your trouble, and finally make you
entirely well. Fifty years ago S. S. S.
was discovered and given to suffering
mankind. During this period it has
proven its remarkable curative prop-
erties as a blood purifier and tonic,
and has relieved thousands of cases
of disease caused by poor or impure
blood, and chronic or inherited blood
diseases. You can be relieved, but
you must take S. S. S. Take it if only
pimples appear, for they denote bad
blood, and may be followed by the
sufferings from torturing skin eruptions.
Therefore be sure. Don't take
chances, don't use lotions. Get S. S. S.
from your druggist. If you are in a
special case, write for expert medical
advice to S. S. S. Co., Atlanta, Ga.

COUNCIL ORDERS SPECIAL ELECTION ON GOVERNMENT PLAN

Polling Places and Judges are Nam-
ed—Reports Presented From Va-
rious Departments.

The principal business transacted
by the city council Monday was the
presentation of an ordinance and its
first reading calling an election to
be held Tuesday, Sept. 14. This ac-
tion was taken subsequent to receiv-
ing and placing on file of the peti-
tion asking that the question of a
return to the aldermanic form of
government be submitted to the peo-
ple. At the morning session of the
council the ordinance calling the el-
ection was not complete and an ad-
journment was taken until 1:30
o'clock, when the ordinance was given
a first reading and designating the
polling places and the officers to
serve on election day.

Mr. Cox reported that active work
was being done to remove noxious
weeds from the streets and from
vacant lots. Mr. Martin reported
the purchase of some supplies for
the fire department and stated the
purpose of the park commissioners
to paint a portion of the benches in
the park white as an indication that
they are reserved for the use of wo-
men and children. Mr. Vasconcellos
stated that additional lights were be-
ing placed about the city where need-
ed and that some repair work was
being done in the light department.
A broken rod on the Hamilton en-
gine Sunday night required some ex-
tra work yesterday.

Mayor Rodgers referred to the
movement there has been inaugu-
rated to have Hardin avenue from Mor-
ton avenue to the Vandalia road oil-
ed before the chautauqua, as this
would insure a good road all the
way from the square to Nichols park.
In event of bad weather. He said a
number of persons had already in-
dicated their willingness to contribute
toward the fund and that there was
every indication that the work would
be done. The mayor also reported
that a conference had been held with
reference to a crossing of the rail-
roads tracks at Mathers street and
that in all probability the work of
building this walk would begin very
soon.

For the finance department Mr.
Widmayer had no special report to
make as the city is practically with-
out funds. On motion of Mr. Vas-
concellos with a second by Mr. Wid-
mayer, the contract for supplying the
city coal at the light plant and pump-
ing station was awarded to Walton
& Co., their bid being the lowest.
When the question of fuel and water
supply was under discussion Mayor
Rodgers mentioned that it is the in-
tention of the city when able to in-
stall an electric pump at the south
side station and to operate it with
current from the municipal plant.
When the city is in position to make
this expenditure it will readily in-
sult in a great saving as it will not
then be necessary to keep firemen at
the south side plant or to consume
any fuel there. The yearly saving
would be at least \$2500 to \$3500.
After discussing some other matters
the council adjourned until 1:30.

At the afternoon session the or-
dinance calling the election for Tues-
day, Sept. 14, was given the first
reading and laid over under the
rules. The polling places and elec-
tion officials as fixed by the ordi-
nance are given below. Mayor Rod-
gers at the morning session in speak-
ing of the petition filed asking for
an election said that the council wish-
ed to act only in accordance with
the desires of the people as speedily
as possible. The polling places and
election officials are as follows:

In the First precinct of the First
ward—Tobin's store, East Lafayette
avenue.

In the Second precinct of the First
ward—E. Kettering's building, North
Mauvaisterre street.

In the Third precinct of the First
ward—Sheppard's store, North Main
street.

In the Fourth precinct of the First
ward—Henderson's store, North
Main street.

In the Fifth precinct of the Second
ward—Bentley's residence, West
Lafayette avenue.

In the Sixth precinct of the Second
ward—P. R. Briggs' store, West
Lafayette avenue.

In the Seventh precinct of the
Second ward—Court House, West
Court street.

In the Eighth precinct of the
Fourth ward—Vickery & Merrigan's
building, West Morgan street.

In the Ninth precinct of the
Fourth ward—Mrs. S. B. Gray's re-
sidence, West College avenue.

In the Tenth precinct of the

HERE FROM TEXAS.

Mr. and Mrs. J. F. Riggs of Wich-
ita Falls, Tex., are making a short
stay in the city enroute from Chic-
ago, where Mr. Riggs has been on a
purchasing trip. They will visit
the families of Adam Hull, Frank
Hagen and Thomas Wagoner.

Four Generations of the Lane Family of Scott Co.

Mrs. Eliza Ann Lane.
Mrs. Arthur Woolsey.

Sunday, Aug. 8, 1915 was a day of
more than usual interest to at least
one family in the neighborhood of
Riggston, Scott Co.

It was the birthday of Mrs. Eliza
Ann Lane, who then attained the
goodly age of 77 years. Those of
the children at home and nearby,
who could be present, spent the day
in a quiet but happy celebration of
the mother's birth.

Mrs. Lane is a lady of retiring dis-
position, who does not seek the lime-
light, and it was with some diffi-
culty that a part of the story of her-
self and family was gleaned.

Eliza Ann Davis was born in
Whitehouse, Hunterdon Co., New
Jersey, Aug. 8, 1838. She was the
daughter of Isaac and Mary (Scott)
Davis. Isaac Davis' father married
a Brockaw, of Knickerbocker line-
age. Mrs. Lane has one sister, Mrs.
Kate Sutherland, of Hopewell, N. J.,
still living.

Mrs. Lane's great uncle, George
Washington Scott remembered when
a small boy of seeing his namesake,
Gen. Washington. Mrs. Lane is the
last person now living of the early
comers from the East to her neigh-
borhood, and she is the oldest living
person in her community. She re-
tains her faculties remarkably, al-
though not enjoying the best of
health for the past few years.

Eliza A. Davis was married April
9, 1860 to the late Mr. Benjamin
Lane. He was a native of Plucka-
min, Somerset Co., N. J., born in
1834, and came about 1858 to Scott
county, remaining a short time af-
ter which he returned to New Jer-
sey and got his bride. They then
came to Scott county.

Mr. Lane was a well known con-
tractor and builder, being especially
expert in barn framing. At one time
he was a mill-wright at Peoria. He
was an organizer of the M. E. church

at Riggston, along with Wm. McCul-
lough and Wm. Gillham, father of
W. W. Gillham of this city. Wm.
A. Fay, of the Journal, married a
grand daughter of this Wm. McCul-
lough. Mr. Lane constructed the
church building in 1868.

Back East Mrs. Lane had been a
member of the Dutch Reformed
church, and Mr. Lane was a Pres-
byterian. With good sense and ad-
aptation they became active members
and supporters of the Methodist
church in their western home.

Mr. and Mrs. Lane were parents
of Anna May, who married J. C. F.
Kerr, of San Antonio, Texas; of Al-
bert who went to Denver, some
years ago; of Mary, who married
Fred Vannier of Bluffs, Scott Co.;
and they had one son Franklin Van-
nier, Mrs. Vannier dying in 1897;
of Evelyn and Naomi, twins; of Er-
nest, a business man in St. Louis,
and of Benjamin F., of the Journal
force—a graduate of Illinois college
in the class of 1904.

Miss Evelyn is a well known teacher
in Scott Co., and Miss Naomi is at
home with her mother.

Mr. Kerr died a' out two years ago.
Frank Vannier has made his home
with his grandmother, since the
death of his mother.

Mr. Lane was one of the strong,
continuous supporters of the Riggs-
ton church, until his death Dec. 10,
1895.

Mrs. Lane is passing the evening
of life happily with her children and
her beloved grandson, Frank Van-
nier.

The accompanying cut shows four
generations of the family. Mrs. Lane,
Mrs. Anna May Kerr, Mrs. Kerr's
daughter, Mrs. Arthur Woolsey of
Leander, Texas, and her son, Master
Samuel Woolsey of Leander, Texas.

They make a bright and interest-
ing party.

Ensley Moore.

Here You Are!

Coca-Cola

Here's a new voice for the thirsty rooter—
here's a refreshment for the excited fan—here's delicious-
ness for all—Coca-Cola, the beverage that athletes en-
dorse—that wise business men enjoy—that everyone
welcomes for its simple, pure wholesomeness.

Carbonated in bottles—at stands and in grand stands
—and at soda fountains everywhere.

Demand the genuine by full name—
nicknames encourage substitution.

CASTORIA

The Kind You Have Always Bought, and which has been
in use for over 30 years, has borne the signature of
and has been made under his per-
sonal supervision since its infancy.
Allow no one to deceive you in this.
All Counterfeits, Imitations and "Just-as-good" are but
experiments that trifle with and endanger the health of
Infants and Children—Experience against Experiment.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Pare-
goric, Drops and Soothing Syrups. It is pleasant,
contains neither Opium, Morphine nor other Narcotic
substance. Its age is its guarantee. It destroys Worms
and allays Feverishness. For more than thirty years it
has been in constant use for the relief of Constipation,
Flatulency, Wind Colic, all Teething Troubles and
Diarrhoea. It regulates the Stomach and Bowels,
assimilates the Food, giving healthy and natural sleep.
The Children's Panacea—The Mother's Friend.

FAVORITES ARE BEATEN AT GRAND RAPIDS MEET

MISS DIRECTED TAKES FEATURE
EVENT

McDevitt's Trotter Captures \$3,000
Grand Rapids Railway Stake—
General Todd Takes the Matron
Stake in Straight Heats.

Grand Rapids, Mich., Aug. 9.—
Favorites were beaten in all three
events in the opening program of the
local Grand Circuit harness races
this afternoon. Ideal weather con-
ditions prevailed.

The feature event of the day, the
2:14 trot for the Grand Rapids Rail-
way stake of \$3,000 furnished the
biggest surprise in the winner, Miss
Directed, an outsider. Mirthful, a
heavily played favorite won only one
heat, the third, while Leffie Lee, al-
so heavily played to win, came in
for third money.

The Matron stake for three year
olds was won in straight heats by
General Todd. Miss Harris M., the
favorite finished second in each heat.
Adbell M. another outsider finish-
ed the winner in the 2:10 trot after
four great heats. Guy Nellis came
second.

Summaries.

IMPROVEMENT BOARD SPENT VERY BUSY DAY

PROPERTY OWNERS ARE GIVEN CHANCE TO EXPRESS THEIR OPINIONS.

South Main and West State Street Residents Discussed Proposed Pavements—Board Gave Assurance That Inspection Would Be Careful and All Underground Work Given Attention.

The board of local improvement had a busy time on Monday. At a session held immediately after the afternoon council meeting a resolution was read providing for an asphalt pavement on East state street running from Alley D, which adjoins Centenary church, to the railroad tracks. At 2:30 a hearing of property owners was had on the proposed South Main street paving. At 4 o'clock a hearing was had on the proposed West State street improvement.

When the hearing began for South Main street residents to express themselves each one present expressed their preference for tarvia if any pavement was to be laid, and quite a number were present not to make objection but simply to listen to the discussion which developed from the meeting. Mayor Rodgers in answer to questions assured the property owners that no matter what the contract, that the board of local improvement would use every endeavor to see that the specifications were faithfully followed. He stated, too, that the property owners could depend upon it that the board would insist that all water, gas and sewer connections should be made before the pavement was put down so that there would be no reason for opening the pavement for a good many years after the pavement was completed. Several of those present stated that they were in favor of the paving but wanted some provision made for heavy hauling to the gas plant and insane hospital to be routed over unpaved streets, or at rate, away from South Main street.

Daniel Baha said that he was in favor of tarvia if any pavement was laid. He thought that the estimate of the engineer was too high in a number of details and that property owners between Morton avenue and the square were to be charged for reducing a portion of the grade when a part of this cost would have come from property owners south of Morton avenue if the contract for the whole street was to be let at one time.

S. M. Metcalf objected to paving but wanted tarvia if there was to be a pavement. He said that the pavement in front of his property would last for another twenty years.

J. W. Leggett had no objections to offer.

W. E. Smith had no objections and favored tarvia.

H. H. Knollenberg was opposed to paving at all but wanted tarvia if the paving is done.

A. R. Gregory was opposed to the paving and wanted to know what the cost of posten blocks would be so that he might compare it with tarvia. Mr. Gregory said if the pavement is laid that he wanted to suggest that J. H. Wells, who is a mason and contractor, be appointed as inspector.

Mayor Rodgers said that Mr. Wells would be a very competent man but the law provided that no property owner could be an inspector.

Rev. Louis Olenlager was present for his sister, Mrs. Niessen, and objected to the paving, maintaining that the street car company had worn out the pavement and would do so again with heavy hauling. He favored tarvia if any paving was done.

Albert Spies was opposed to paving at this time because he said a division of the street into two contract jobs made an excess of intersection work to be paid for by the property owners between Morton avenue and the square.

Mrs. Nora Wright objected to paving because of the excess of heavy hauling done on the street.

E. N. Kitter did not think that the pavement was greatly needed but was in favor of tarvia if the pavement was laid.

J. H. Wells was opposed to paving at the present time but favored tarvia if paving was to be done.

C. C. Carter was not particularly opposed to paving but wanted assurance that the gas company paid for all the paving between the rails and for a distance on each side.

Mrs. Mary Bader was not opposed to tarvia but wanted definite assurance that a good substantial pavement would be put down.

Mrs. Emily Nichols did not think that there was much use of paving unless the heavy traffic was stopped. She said that it did not seem fair to have the property owners on this street repave when at the time the first pavement was put down they were given assurance that there would be no more expense in this regard.

Frank and Edward Mallory were in favor of a tarvia pavement.

Miss Mayfield said they were not particularly in favor of a pavement but would not oppose anything that the majority wanted.

West State Street Hearing.

At the hearing for West State street property owners held at 4 o'clock some objection was made to asphalt on the theory that it would not be good for heavy hauling and might turn West State street into too much of a speedway for automobiles. The most vigorous objection was made to the proposed removal of the sandstone curb on the street and the substitution of a concrete curb and gutter. Objection was also made to the paving of intersections being charged to the property owners. A letter presented by C. L. French was read from L. W. Cham-

bers in which he opposed the paving on the ground that the present pavement would serve for a great many years if properly patched in the worst places. He was opposed to tearing out the sandstone curbing and thought that if the improvement was to be made that re-topping would be sufficient. C. L. French said he was always in favor of improvements and was willing to pave this street with anything but asphalt. He said that the movement for a new pavement was agitated quite largely by automobile drivers and he thought that sidewalks were really more needed than a new pavement. He spoke of the splendid tarvia pavements he had seen at Pensacola, Fla. He objected to the engineer's estimate as being too high and said that contractors' figures were always very close to the estimate. He said that contractors fixed these things up among themselves and that he was in a hotel some years ago and heard representatives of bridge companies dividing up business that was to be let the day following.

John N. Kennedy favored brick if a pavement is to be laid as he did not think that asphalt would give satisfactory wear. He quoted Engineer Folsom of Bloomington as authority that asphalt pavements are expensive and unsatisfactory in cities of this size.

M. H. Havenhill expressed himself as in favor of a tarvia pavement and wanted assurance that it would be well laid.

V. Green said he had signed the petition for asphalt but had since changed his opinion and was now in favor of tarvia. He thought the estimate too high and that the sandstone curb should be used.

J. A. Ayers said that the pavement in front of his home property and of the property for which he is one of the executors was in exceedingly bad condition and that he would prefer to have the paving work postponed. He said that Mr. Moeller, of Decatur, does not favor asphalt because of unsatisfactory experience in Decatur. Mr. Ayers expressed himself as willing to accord with the wishes of the majority in the improvement.

Earl Wiswell said he had signed for asphalt but was now in favor of tarvia. He entered a protest against the intersections being taxed against the property owners.

Charles Rockwell said that he was opposed to asphalt and in favor of re-topping.

Mrs. L. A. Frost was opposed to asphalt and not greatly in favor of any paving at this time. She asked for assurance that all pipe connections be made if the pavement is put down and spoke of inadequate sewerage.

J. H. Bancroft said that he appeared for the property owned by his mother and that he was in favor of asphalt providing the Bermuda or Trinidad mine asphalt was used. He said that Bloomington could not be taken as settling the question as in a great many cities asphalt had been used with marked success. He said that Peoria had some bad asphalt paving but this was due to defective workmanship. He spoke of the splendid results which were had from the College street asphalt pavement and said that that street is constantly used by heavy coal wagons. Mr. Bancroft believed that Engineer Henderson's estimate was too high for excavating and that the sandstone curbing should be left. He protested vigorously against taxing the property owners for intersections, stating that practically every other pavement in the city had been so laid that intersections were paid for from general taxation. He thought this particularly unfair on a street where re-paving was to be done.

Mrs. E. C. Lambert was not in favor of a pavement and believed that in the city's present financial condition that some other things should be given attention first. She said that with the city in its present state that it would be better to repair the paving and make it do for a time. If the street was to be paved she preferred tarvia to asphalt and declared that paving of the street originally had not increased the value of residence property.

Mayor Rodgers said that while it was true that the city is in debt, that the paving of West State street or any other street had nothing to do with the general municipal condition.

Mrs. Lambert said that she had referred to the general condition meaning that the paving might be delayed until the city was in condition to pay for intersections from the treasury. Mayor Rodgers said that the city now owes more than \$22,000 in interest on the paving work and that it will be a long time before it is in condition to take on any more indebtedness of that kind.

E. C. Vickery was in favor of an asphalt pavement with tarvia as a second choice. He wanted a concrete curb and gutter if that would give the pavement a better appearance.

Dr. Edward Bowe was strongly in favor of asphalt and he objected to the removal of the sandstone curb unless it was shown that much of the curbing is in worse condition than it now appears. He said that statistics gathered from hundreds of cities in this country and in Europe under all kinds of climatic conditions proved conclusively the durability of asphalt. He did not think the property owners should pay for intersections and said that when the pavement was laid that a competent and experienced man should be selected for inspector.

C. H. Russell expressed a preference for an asphalt pavement and did not believe that it was desirable to do away with the sandstone curb. He objected also to the intersection cost being charged to the property owners.

John N. Ward and W. E. Vieth, as trustees of Grace M. E. church, stated that they were not opposed to the improvement and wished to accord with the majority opinion on the street. They had favored asphalt because they supposed that the board of local improvement favored asphalt after a careful investigation of a variety of materials.

GRACE CHAPEL WILLING WORKERS HAD FINE MEETING

Regular Monthly Session at Home of F. C. Branner—Social Time Followed Regular Program.

The Willing Workers of Grace Chapel met at the residence of F. C. Branner recently for their regular monthly session with Mrs. Nellie Branner and Mrs. Lula Dawson as hostesses. A full attendance of members and several visitors contributed to make the meeting enjoyable both as a business and a social gathering.

Mrs. E. G. Smith and Mrs. J. R. Allen had charge of the entertainment and had a splendid program arranged as follows:

Song, "Brighten the Corner Where You Are"

Responsive Scripture Reading.

Reading—Mrs. Nellie Branner.

Vocal Solo—Miss Edna Ogle.

Three Bible questions and answers.

Reading—Mrs. Dawson.

Reading of minutes and roll call by the secretary.

Roll Call—Secretary.

Song, "He's My Friend".

Business discussion.

The meeting closed by three sentence prayers, after which a contest was held called the "Blind Artist".

In which the first prize was awarded to Miss Doris Allen, the booby prize going to Mrs. Dan Vorhees. In the guessing contest the prize went to Miss Alma Ogle. At five o'clock delightful refreshments were served and a social hour was enjoyed by all present.

The next meeting will be September 2, with Mrs. Elmer Smith. All members are requested to be present.

Mrs. George H. Tremblott has returned from a visit with friends in Kansas City.

ATEXAS WONDER

THE Texas Wonder cures kidney and bladder troubles, dissolves gravel, cures diabetes, weak and lame backs, rheumatism and all irregularities of the kidneys and bladder in both men and women. NEXT YEAR'S MEETING COMES TO JACKSONVILLE

BURLINGTON WAY ASSOCIATION IN ANNUAL SESSION.

W. J. Brady is Now President and Carl Weber Secretary—Banquet Given By Burlington Auto Club—Roads in Good Condition.

Special to The Journal.
Burlington, Ia., Aug. 9.—Jacksonville was selected as the next meeting place for the Burlington Way Good Roads' association at the meeting held at Burlington today. In addition to being selected as the next meeting place Jacksonville also carried off most of the offices. W. J. Brady was elected president of the association and Carl H. Weber was elected secretary-treasurer. At the close of the day's session a banquet was given at the Hotel Burlington by the Burlington Auto club. Dr. Chas. Frantz, of Burlington, acted as toast-master and the speakers were: W. J. Brady, H. K. Snyder, Dr. A. B. Applebee and C. N. Priest, of Jacksonville, Mathew F. Morse, secretary of the St. Louis Auto club and H. C. Wilhite, of Greenfield, the retiring secretary-treasurer of the association.

The meeting was the largest ever held by the Burlington Way association and much enthusiasm was shown along the line and at Burlington where everything possible was done for the entertainment of visitors. There was little or no interest shown by towns between Rushville and Ft. Madison, Ia. According to talk by members of the association this may mean a change next year and a re-routing of the trail by way of Hamilton and Keokuk, Ia.

Found Roads Good.

The party from Jacksonville found the roads generally good. Burlington was reached at 12:30 and dinner was taken at the Hotel Burlington. H. C. Wilhite extended an invitation to everybody to attend a meeting in Greenfield, Friday, Aug. 13, to take up the matter of a Springfield division for the Burlington Way.

An important matter taken up at the meeting was the extension of the Burlington Way to the Minnesota line and later to St. Paul. The extension of the trail to Cedar Rapids will be considered at a meeting which will be called by Secretary Weber for Sept. 11.

The officers elected in addition to Messrs. Weber and Brady were: Supervisor north of Beardstown—Jack Hiltz, Burlington.

Supervisor south of Beardstown—Dr. M. E. Winters, Greenfield.

The following were elected as local supervisors: R. C. Schell, Beardstown; Herman Engelbach, Arenzville; Herman Lippert, Concord; Leroy Craig, Jacksonville; Thomas Irwin, Woodson; J. E. Osborne, Murfreesboro; C. H. Heaton, Manchester; Otis Gibbons, White Hall.

Jacksonville Delegates.

Those from Jacksonville were: Dr. R. R. Buckthorpe, George Wiseman, Stuart Russel, W. B. Miser, Carl H. Weber, Eugene Baldwin, Leroy Craig, W. A. Masters, B. F. Henderson, Harlan Williamson, H. H. Potter, William Roegge, Donald Joy, H. K. Snyder, R. R. Williamson, S. C. C. Noyes, E. A. Williamson, C. S. Hillerby, William Miller, J. C. Lukeham, Frank Wiggins, Thomas Irwin, J. A. Long, Michael White, Dr. A. B. Applebee, C. H. Ward, R. A. Gates, S. M. Campbell, Walter Ayers, C. N. Priest, E. J. Howells, Hume Whitacre, Fletcher Hopper, J. L. Graham, T. M. Tomlinson, Louis Duetsch, W. J. Brady, James H. Hall, David Wilson.

In addition to the above were: Dr. Paul Allyn, Fred Harney, Rose Lucken, Mrs. A. J. Harney and Opal Harney of Waverly and Carol Bughe, R. B. Pearce, Clyde Boehm, H. C. White and Dr. E. M. Winters from Greenfield and White Hall.

Fancy free stone peaches only \$1.50 a bushel. CANNON BROS.

TO VISIT EXPOSITION.

Mr. and Mrs. Ben H. McCarty, Mrs. F. W. Harper and Mrs. F. W. Fanning expected to leave this afternoon over the Wabash for California where they will visit the exposition and upon returning will go to San Diego. They expect to be away a month or six weeks. Mr. Fanning has been in Pasadena for sometime for his health, which is much improved. His wife will remain with him there. Mr. Harper will meet her husband in San Francisco. He is an engineer employed by the government in the Philippine Islands. The Harper family and McCarty family will also visit Mrs. Frank Plaster of Piedmont, Calif.

STOKER FINED.

Judge E. P. Brockhouse and States Attorney Robert Tilton were in Merced Monday where Judge Brockhouse represented the village in the case against Jacob Stoker, charged with illegal liquor selling. Stoker was fined \$50.00 and costs. The states attorney will probably get a crack at him when the grand jury convenes in November.

BIDS FOR COAL.

Sealed bids will be received by the clerk of the Board of Education up to 12 o'clock, noon, Tuesday, Aug. 10, for furnishing coal for the public schools for the ensuing year. Bids will be received on mine run three inch lump and Nos. 4 and 5 mixed washed screenings. The board reserves the right to reject any or all bids.
R. L. Pratt, Clerk of the Board of Education.

WINCHESTER

Mr. and Mrs. Earl Welch, of Chicago, are spending a vacation with Mrs. Welch's father, John W. Kellen.

Mrs. Frank Biernbrauer, of St. Louis, arrived Saturday night to visit with her husband and her parents, Mr. and Mrs. J. H. Coates.

Mr. and Mrs. Phillips Henderson, of Pontiac, are visiting at the home of his father, M. A. Henderson, in Winchester.

Joseph Grout, of Quincy, was in the city Sunday to spend the day with home folks.

Miss Mary Woodall arrived from Jacksonville Saturday. She has been at Prince's sanitarium in Springfield for several weeks where she has been taking treatment for her eye, which is much better.

Mrs. C. Lowley, of Ft. Smith, Ark., is visiting Misses Maud and Florence Sperry.

Nathan Smithson and daughter, Nina, of Joplin, Mo., arrived Saturday for a visit with relatives and friends.

An eleven pound son arrived at the home of Mr. and Mrs. Ralph Parker Sunday.

Harry Kirkman left Sunday for a visit in Pekin. His wife has been there several days visiting with relatives.

Samuel Tricky has returned from Merritt where he has been visiting at the home of Mr. and Mrs. John Hawk. His daughter, May Tricky, will remain for a longer visit.

Miss Edith Watt entertained Monday afternoon at her home in honor of Miss Bernice Owens. There were thirty young ladies present and they enjoyed the afternoon playing five hundred. The prize winners were Misses Chat Evans and Louise Leach. A two-course luncheon was served and the hours proved delightful in every way.

Little Raymond Walker, who was taken to Passavant hospital remains about the same.

ELLIOTT STATE BANK.

ALL SAVINGS DEPOSITS made during the first ten days in August will bear interest from the FIRST of the month.

ELECTION OF OFFICERS.

Mallory Lodge No. 30, K. of P., installed the following officers last night:

C. C.—Burrell Hitt.
V. C.—Howard Underwood.
M. of W.—John McCree.
M. of F.—Walter Patterson.
M. of E.—John Kling.
K. of R. and S.—Ellis Moore.
M. of A.—Albert Fountain.
I. G.—George Bowen.
O. G.—William Smith.

After installation the committee invited the members into the dining room where the table was laden with good things.

ELECTION DATE WILL BE CHANGED

Law Declares Earliest Date is Forty Days After Council Has Received Petition.

At the meeting of the council yesterday the election ordinance was given a first reading fixing Tuesday, Sept. 14, as election day. William N. Hairgrove last night called attention to a section of the commission law which he considers indicates that the date selected will not meet the legal requirements. Mayor Rodgers talking about the same matter said that the law was so worded as to make two constructions possible, but that to avoid any possible error that the council will shift the date for the election into the week following the date already designated. This section will be taken at once and no delay will be occasioned.

The law states that when an election petition has been filed that five days shall be allowed for the presentation of objections. Following this period and if no objections are made, it is the duty of the city clerk to transmit the petition to the council. Then it becomes the duty of the council to call an election which shall be fixed at a date not less than forty days distant or more than fifty. The law may mean not less than forty days after the filing of the petition or not less than forty days after the petition has been transmitted by the clerk to the council. In this instance the petition was transmitted Monday, Aug. 9, and the only safe way to figure is for a date at least forty days thereafter.

Language of the Law.

"If no objections to said petition are filed within five days as provided in sub-division (f) this section, or if objections are filed and the court or judge aforesaid shall deem such petition sufficient, then immediately after the expiration of said five days, or immediately after the receipt by the clerk with whom the petition was originally filed, from the clerk of the court, of such petition and the certified copy of the decree declaring the same sufficient, as the case may be, the clerk with whom the petition was originally filed shall submit such petition to the council without delay, and the council shall order and fix the date for holding the said election, which shall not be less than forty days nor more than fifty days after the said petition is submitted to the council."

MT. ZION BURGOO POSTPONED.

The Mt. Zion burgoo which was to have been August 11 has been postponed to Tuesday, August 17, on account of the death of Mr. Robinson.

DR. G. S. HARRIS DIES AT AGE OF NINETY-THREE YEARS

Passes Away at Home of His Son Near Sinclair—Funeral Will be Wednesday Morning.

Dr. G. S. Harris died Sunday night at 7 o'clock at the home of his son, Harry Harris, near Sinclair. He had been in ill health for some time. He was born in 1822 and had reached the remarkable age of 93 years. He has another son, Dr. Harris, residing in Griggsville, and a son in Kansas. Funeral services will be conducted from his late home at 8 o'clock Wednesday morning in charge of Rev. C. G. Cantrall. The family requests no flowers.

Five crab apples cheap if taken at once. CANNON BROS.

BOB SEEDS COMING.

Farmer, Humorous Lecturer and Chautauqua star of the first magnitude, formerly a business man of Tyrone, Pa., who lost his health, bought an abandoned farm, found health and fortune and now believes that a man who can make money, have a first-class home and a good religion has the ground covered as well as any multi-millionaire can cover it. Everyone who heard Bob Seeds two years ago will hear him in another wholesome, humorous lecture Friday evening, August 20, at the Jacksonville Chautauqua.

CELEBRATED FIRST MASS

First Mass was celebrated Sunday at 10:30 o'clock, at the Church of Our Savior by Rev. Paul Othling. Rev. J. B. Crowe acted as deacon. Rev. Luke Mandeville as sub-deacon. Masters Gebhart and Harmon were the acolytes and Rev. F. P. Formaz, director of music and organist. The sermon was preached by the Rev. J. W. Crowe.

Rev. Mr. Othling is a convert to Catholicism having received his instructions from Rev. J. W. Crowe. He was baptized June 22, 1907. At one time he was employed as a cutter at Capps Woolen Mills. He received the degree of A. M. in June from the Catholic university at Washington, D. C. He will be here two weeks before taking up work in the Wheeling diocese.

COMPOSED QUARTET.

In the funeral of Mrs. Emma Caldwell Saturday it should have been stated that the music was furnished by a quartet composed of Miss Irma Berryman, Miss Grace Hill, Elvin Olinger and A. G. Cody. Miss Lucille Olinger was accompanist.

Mrs. Jennie Clerihan of 135 East Independence avenue has gone to Chicago for a visit with her daughter, Mrs. O. W. Snyder.
